

CS 198/199 Evaluation Form

Fill-up independently of your groupmates. Do not compare notes.

Submit to submit2pcnaval@gmail.com, crrael@up.edu.ph, lyngabud@gmail.com, pdregonia@up.edu.ph

Name: Joaquin B. Salvador

Group: Explainable AI for Post-COVID Psychological Profile Prediction

What are your major contributions to your project? Be specific.

1	_____
2	_____
3	_____
4	_____
5	_____

How much did you and your groupmates contribute to the following activities? For example, you might write 40% in your Programming if you were the main programmer of the group. Note that the total per row must be equal to 100%.

(write the name of your groupmate)	<Your_Name>	<Groupmate1_Name>
Research		
Analysis and Design		
Programming		
Preparation of Test Data		
Verification and Debugging		
Web Production		
Documentation		
Preparation for the Presentations		
Financial and Material Provisions		

If you were to mark the classcards...

The grade you will give for your group's output is 1.00

The grade you will give for your group's effort is 1.00

A grade of 1.00 should be given to you.

A grade of _____ should be given to _____ (first groupmate).

A grade of _____ should be given to _____ (second groupmate).

Comments about CS198/199, Advisers, Project:

It was a fun and fruitful semester. I'm looking forward to finishing the project this coming semester. Thank you very much, po!
